Mr. Lyman M. Hemaret

Dear Mr. Hemaret:

The United States Government, as represented by the Contracting Officer, hereby contracts with you as a covert associate for the submission of certain information and related services of a confidential nature under the following terms and conditions:

1. Compensation. In full consideration for the purchase of such information and services you will be paid an amount calculated at the rate of \$5000 per annum. Upon your arrival in the United States you will be entitled to receive \$250. This additional compensation is for services performed during the first year of this agreement only. Payments will be made as directed by you in writing in a manner acceptable to the Government. No taxes will be withheld from these amounts, and it will be your responsibility to report such income under existing Federal income tax laws and regulations.

2. Travel. You will be advanced or reimbursed funds for necessary expenses incurred in connection with such domestic travel as may be directed or authorized by the Government. This will include per diem in lieu of subsistence in the course of such travel while away from Washington, D. C. You will be required to account for such expenses in substantial compliance with applicable Government regulations.

3. Operational Advance. A sum of \$1500 will be deposited in an account in a bank, in the United States, of which you will be the alleged owner. However, at no time may you withdraw any portion of this money, and neither will it be awarded at anytime to you or your heirs. You agree to execute any such document as the Government may require to establish the true ownership of this account.

4. Status. You are not an employee of the United States Government under this agreement and are not entitled to any benefits normally incident to an employee status.

5. Secrecy. You will be required to keep forever secret this contract and all information which you may obtain by reason hereof (unless released in writing by the Government from such obligation), with full knowledge that violation of such secrecy may subject you to criminal prosecution under the espionage laws dated 25 June 1948, as amended, and other applicable laws and regulations.

6. Instructions. Instructions received by you from the Government in briefing or training are a part of this contract and are incorporated herein to the extent that such instructions are not inconsistent with the terms thereof.
